

Apple Valley Hockey Association 2009-2010 Volunteer Agreement

The success of the Apple Valley Hockey Association is based on the support of its members. Part of becoming a better organization is fundraising and volunteering. Volunteering includes coverage for our hosted tournaments, D6 playoffs & concessions. In order for us to be successful at those events it takes the support of **ALL** of our families.

Please note: In the event an ice rebate is issued, those who have not fulfilled their volunteer hours will not be eligible.

This year your total obligation for the season will vary depending on the number of traveling and/or mite skaters you have.

There are three obligation categories:

1. Tournaments/Playoffs: All Families

- a. Each family is required to fulfill 5 hours of tournament/ playoff volunteer hours.
- b. This includes our Boys Tournament (November 27-29, 2009), Girls Tournament (January 8-10, 2010) and D6 Regional Playoffs in February/March 2010.
- c. Each of these events will have multiple volunteer opportunities including: scorekeeping, penalty box, concessions and clock.
- d. These shifts will be located in the online volunteer system to allow selection of the shifts that fit best with your family's schedule.

2. Traveling Team Concession Stand: Traveling Team Families

- a. Each team will be given a block of concession times to cover for league games
- b. If you have players on multiple traveling teams, you are expected to cover your shifts for each team.
- c. These assignments will not be in the volunteer system for selection they will be given directly to each team manager. Hours worked by each family will be documented in the volunteer system for tracking purposes.

3. Mites Concession Stand: Mite Families

- a. Each Mite family is required to fulfill 5 hours of concession stand coverage during the mite ice times and/or open skate at the High School.
- b. These shifts will be located in the online volunteer system to allow selection of the shifts that fit best with your family's schedule.

I have read and understand the volunteer expectations for supporting Tournaments, Playoffs & Concessions as well as the obligations for traveling and mites skaters.

I understand that if I have multiple traveling skaters, I will have team obligations for each.

I also understand if I do not fulfill my volunteer obligations, I will NOT be eligible for an ice rebate, in the event one is issued.
