

APPLE VALLEY & EASTVIEW combined JR GOLD "B" CLINICS & TRYOUTS

The Jr. Gold Hockey program is perfect for the competitive hockey player that either didn't make or can't commit to the High School Varsity/JV hockey teams. The team plays 20+ games at a very competitive level against teams throughout the Metro area. It is also very common to compete against teams from all over the country in tournament play.

The team supports the Apple Valley and Eastview hockey players at the High School level. The team is not limited to these schools/residents but they are served first. Our goal is to allow players a place to play fun and competitive hockey, just below the Varsity level.

REGISTRATION:

All Players MUST be enrolled in High School. All players must be registered before clinics. You may register at home any time prior to Nov 17th, or there will be a computer available for registration before the clinics at the arena. Registration is a two-part process:

1. Register with USA Hockey along with a \$40 fee. After you get a confirmation number (which you need for part two) from USA Hockey then you
2. Register with Apple Valley hockey along with a \$235 fee. The registration process on www.applevalleyhockey.com will take you through both registrations at one time.

- **PLAYERS REGISTERING ON THE NIGHT OF THE FIRST CLINIC NEED TO BE AT THE ARENA 1 (ONE) HOUR BEFORE ICE TIME TO GET REGISTERED & COMPLETE PAPERWORK. (A parent or guardian must be present for the registration part).**

CLINICS:

It is HIGHLY RECOMMENDED for all players to participate in clinics. The clinics are FREE and a great way to knock off any rust, get to know the players you will be playing with, and will let us know how many players we may possibly have.

CLINIC DATES/TIMES:

Nov 17th, 7 – 8pm at HAYES

Nov 19th, 7 - 8pm at HAYES

TRYOUTS:

There are two tryout dates with all players expected to be at both, unless otherwise notified. We will be filling a JR Gold "B" team and if the number of players permit, we may also be filling a U-16 team.

TRYOUT DATES/TIMES:

Nov. 23rd, 7 – 8pm at HAYES

Nov. 25th, 7 – 8pm at HAYES
